

Family Recycled Garden Kits

Families can sign up their children for a free recycled garden kit. This kit will include educational handouts, idea sheets and seed packets. All we ask is that you send a picture of your garden set up by June and one more photo by August. Participants who have completed these steps will be entered into a prize drawing in September.

We have 3 seed types to pick from: flower, herb and vegetable. All Information will be provided in our kits that will be picked up in May. Sign up in advance by completing the attached application. We will then notify all applicants by email when the kits are ready for pick up.

Kits are limited so please return your form as soon as possible.

If you have any questions please contact education@eriezoo.org or call the zoo office at 814-864-4091
